HOOKED ON TRANSIT

Did you know that all Sarnia Transit buses are equipped with a bike rack on the front bumper?

Each rack can hold a maximum of TWO bikes. The rack is built for bikes that have 16 inch (41 cm) wheels or larger.

Tricycles, recumbent bikes or motorized bikes are not allowed in the racks. Bikes equipped with child carriers, trailers, solid wheels or man-made racks/holders are also not allowed.

Passengers under 13 years of age must be accompanied by an adult in order to make use of the bike rack.

If the rack is full, it may be possible to bring your bike on board at the back of the bus depending on how full the bus is, at the discretion of the operator.

It is the responsibility of the rider to load, secure and unload their bike. The driver will not help in this process. Sarnia Transit is not responsible for loss, damage or theft. If you are unsure about the operation of the bike rack, ask the driver.

Before the bus arrives remove any loose items from your bike such as water bottles, saddlebags or carriers.

- Ride the Bus!

A screenshot of the Sarnia Transit Trip Planner web application. At the top, there is a 'Get Directions' button. Below it are four icons for different modes of transport: a car, a train, a person walking, and a bicycle. The starting location (A) is '600 Murphy Road, Sarnia' and the ending location (B) is 'Bayside Mall, Sarnia'. The arrival time is set for '04/15/2011' at '12:15pm'. Below the input fields is a map showing the route from the starting point to the ending point. At the bottom, the text reads 'Transit directions to Bayside Mall Suggested routes'. The first route is shown with icons for walking, a bus, and walking again, with a duration of '20 mins' and a time range of '11:43am - 12:03pm'.
